

## 2020 Junior Referee Representative Program

In the upcoming junior Rebels season, Breakers Indoor Sports Stadium will be starting a referee incentive program which compensates all referees who officiate the minimum amount of games (or more) at any rep round. This compensation is an addition to BNSW game payment.

This pay will be on a round basis and will depend on the time away, the level of the competition and also the travel. For all weekend rounds (Saturday and Sunday), accommodation will be provided. For all rounds out of the Central Coast, transportation will be organised and/or compensated.

The pay is as follows,

Type of Round	Pay for round from BISS
EJL AWAY	\$50
EJL HOME (BISS OR Niagara)	\$30
EJL/NJL	\$100
CCL	\$100
EJL FINALS	\$60
COUNTRY CHAMPS	\$150
STATE CUP	\$200
STATE CHAMPS	\$250

To qualify for majority of these payments, the official must attend an action day. This is for each individual referee who officiates on enough games in that round to fill the required quota.

**Players and parents can opt for this money can go directly towards representative fees.**
